

A photograph of a gift wrapped in bright blue plastic. The gift is shaped like a heart or a stylized figure. It features several silver bows: one at the top center, one on each of the two upper 'arms', and one at the bottom center. The bottom edge is decorated with blue and white floral arrangements. The gift is placed on a white surface with vertical lines, possibly a door or a wall panel. A watermark 'Anaokullu.Net' is printed vertically across the center of the gift.
